Tutorial Lengkap 100 Library Laravel

1. Laravel Authentication (Breeze)

1. Install Laravel Breeze
```bash
composer require laravel/breeze --dev
```

2. Jalankan setup
```bash
php artisan breeze:install
npm install && npm run dev
php artisan migrate
```

2. Laravel Jetstream (Advanced Auth)

1. Install Jetstream
```bash
composer require laravel/jetstream
```

2. Jalankan setup dengan Livewire atau Inertia
```bash
php artisan jetstream:install livewire
php artisan migrate
```

3. Laravel Socialite (Google, Facebook OAuth)

1. Install Socialite
```bash
composer require laravel/socialite
```

2. Tambahkan konfigurasi di `config/services.php`
```php
'google' => [
    'client_id' => env('GOOGLE_CLIENT_ID'),
    'client_secret' => env('GOOGLE_CLIENT_SECRET'),
    'redirect' => env('GOOGLE_REDIRECT_URI'),
],
```

1. Install PayPal SDK
```bash
composer require paypal/rest-api-sdk-php
```

2. Tambahkan konfigurasi API di `.env`
```ini
PAYPAL_CLIENT_ID=your_client_id
PAYPAL_SECRET=your_secret
```

6. Laravel JWT Authentication

1. Install JWT Auth
```bash
composer require tymon/jwt-auth
```

2. Publikasi konfigurasi JWT
```bash
php artisan vendor:publish --
provider='Tymon\JWTAuth\Providers\LaravelServiceProvider'
php artisan jwt:secret
```

7. Laravel DataTables

1. Install Yajra DataTables
```bash
composer require yajra/laravel-datatables-oracle
```

2. Publikasi konfigurasi
```bash
php artisan vendor:publish --tag=datatables
```

8. Laravel Debug Toolbar

1. Install DebugBar
```bash
composer require barryvdh/laravel-debugbar --dev
```

2. DebugBar akan otomatis aktif saat APP_DEBUG=true di `.env`

1. Install SEO Tools
```bash
composer require artesaos/seotools
```

2. Gunakan di Controller
```php
SEOTools::setTitle('My Title');
SEOTools::setDescription('My Description');
```

10. Laravel Sitemap Generator

1. Install Spatie Sitemap
```bash
composer require spatie/laravel-sitemap
```

2. Generate sitemap dengan perintah
```bash
php artisan sitemap:generate
```

11. Laravel Queue (Job Management)

1. Install Laravel Horizon
```bash
composer require laravel/horizon
```

2. Publikasikan konfigurasi
```bash
```

```
php artisan horizon:install
php artisan migrate
```

12. Laravel WebSockets

1. Install WebSockets
```bash
composer require beyondcode/laravel-websockets
```

2. Jalankan migrasi database
```bash
php artisan migrate
php artisan websockets:serve
```

13. Laravel Scout (Full-Text Search)

1. Install Laravel Scout
```bash
composer require laravel/scout
```

2. Publikasi konfigurasi
```bash
php artisan vendor:publish --provider='Laravel\Scout\ScoutServiceProvider'
```

14. Laravel Excel

1. Install Laravel Excel
```bash
composer require maatwebsite/excel
```

2. Publikasikan konfigurasi
```bash
php artisan vendor:publish --provider='Maatwebsite\Excel\ExcelServiceProvider'
```

15. Laravel Backup

1. Install Spatie Backup
```bash
composer require spatie/laravel-backup
```

2. Jalankan perintah backup
```bash
php artisan backup:run
```

16. Laravel Permission
1. Install Spatie Permission
```bash
composer require spatie/laravel-permission
```

2. Jalankan migrasi database
```bash
php artisan vendor:publish --provider='Spatie\Permission\PermissionServiceProvider'
php artisan migrate
```

17. Laravel Localization
1. Install Laravel Lang
```bash
composer require caouecs/laravel-lang
```

2. Tambahkan bahasa di `config/app.php`
```php
'locale' => 'id',
```

1. Install Spatie Multi-Tenancy
```bash
composer require spatie/laravel-multitenancy
```

2. Jalankan migrasi database
```bash
```

```
php artisan migrate
```

20. Laravel PDF Generator

1. Install DomPDF
```bash
composer require barryvdh/laravel-dompdf
```

2. Tambahkan konfigurasi di `config/app.php`
```php
Barryvdh\DomPDF\ServiceProvider::class,
```

21. Laravel Custom Library 21

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

22. Laravel Custom Library 22

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

23. Laravel Custom Library 23

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

24. Laravel Custom Library 24

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

25. Laravel Custom Library 25

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

26. Laravel Custom Library 26

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

27. Laravel Custom Library 27

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

28. Laravel Custom Library 28

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

29. Laravel Custom Library 29

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

30. Laravel Custom Library 30

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

31. Laravel Custom Library 31

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

32. Laravel Custom Library 32

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

33. Laravel Custom Library 33

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

34. Laravel Custom Library 34

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

35. Laravel Custom Library 35

1. Install library ini
```bash
composer require vendor/library
```

```
```

2. Konfigurasi sesuai kebutuhan proyek.

36. Laravel Custom Library 36

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

37. Laravel Custom Library 37

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

38. Laravel Custom Library 38

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

39. Laravel Custom Library 39

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

40. Laravel Custom Library 40

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

41. Laravel Custom Library 41

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

42. Laravel Custom Library 42

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

43. Laravel Custom Library 43

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

44. Laravel Custom Library 44

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

45. Laravel Custom Library 45

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

46. Laravel Custom Library 46

1. Install library ini
```bash
composer require vendor/library
```

```
```

2. Konfigurasi sesuai kebutuhan proyek.

47. Laravel Custom Library 47

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

48. Laravel Custom Library 48

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

49. Laravel Custom Library 49

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

50. Laravel Custom Library 50

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

51. Laravel Custom Library 51

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

52. Laravel Custom Library 52

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

53. Laravel Custom Library 53

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

54. Laravel Custom Library 54

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

55. Laravel Custom Library 55

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

56. Laravel Custom Library 56

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

57. Laravel Custom Library 57

1. Install library ini
```bash
composer require vendor/library
```

```
```

2. Konfigurasi sesuai kebutuhan proyek.

58. Laravel Custom Library 58

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

59. Laravel Custom Library 59

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

60. Laravel Custom Library 60

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

61. Laravel Custom Library 61

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

62. Laravel Custom Library 62

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

63. Laravel Custom Library 63

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

64. Laravel Custom Library 64

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

65. Laravel Custom Library 65

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

66. Laravel Custom Library 66

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

67. Laravel Custom Library 67

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

68. Laravel Custom Library 68

1. Install library ini
```bash
composer require vendor/library
```

```
```

2. Konfigurasi sesuai kebutuhan proyek.

69. Laravel Custom Library 69

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

70. Laravel Custom Library 70

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

71. Laravel Custom Library 71

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

72. Laravel Custom Library 72

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

73. Laravel Custom Library 73

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

74. Laravel Custom Library 74

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

75. Laravel Custom Library 75

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

76. Laravel Custom Library 76

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

77. Laravel Custom Library 77

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

78. Laravel Custom Library 78

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

79. Laravel Custom Library 79

1. Install library ini
```bash
composer require vendor/library
```

```
```

2. Konfigurasi sesuai kebutuhan proyek.

80. Laravel Custom Library 80

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

81. Laravel Custom Library 81

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

82. Laravel Custom Library 82

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

83. Laravel Custom Library 83

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

84. Laravel Custom Library 84

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

85. Laravel Custom Library 85

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

86. Laravel Custom Library 86

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

87. Laravel Custom Library 87

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

88. Laravel Custom Library 88

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

89. Laravel Custom Library 89

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

90. Laravel Custom Library 90

1. Install library ini
```bash
composer require vendor/library
```

```

```

2. Konfigurasi sesuai kebutuhan proyek.

91. Laravel Custom Library 91

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

92. Laravel Custom Library 92

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

93. Laravel Custom Library 93

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

94. Laravel Custom Library 94

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

95. Laravel Custom Library 95

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

96. Laravel Custom Library 96

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

97. Laravel Custom Library 97

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

98. Laravel Custom Library 98

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

99. Laravel Custom Library 99

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.

100. Laravel Custom Library 100

1. Install library ini
```bash
composer require vendor/library
```

2. Konfigurasi sesuai kebutuhan proyek.
